

WELCOME TO THE 28th TELFORD BEER FESTIVAL

29th April to 3rd May, 2010

VOTE FOR BEER!

Well, it's Beer Festival time again! It seems to come round faster each time, yet it's seven months since the last one. More new beers from more new brewers for you to try and we hope that you will find loads to tickle your tastebuds!

Meanwhile, our would-be rulers are out on the stump again, trying to get you to part with your vote and allow them five years' un-fettered power over us. When you come to vote on 6th May, spare a thought for those of us in brewing and pubs. We seem to be the butt of endless bad-press about binge drinking, health issues, law & order and countless other problems with our society.

We all know it's not like that and it's about time that our politicians gave us all a break and let us take some responsibility for our own lives. If you do get the chance to speak to your candidates, ask them what they will do to protect Britain's pubs and breweries from Government-interference, over-regulation and red-tape. Ask them what they will do about the subsidy that every one of us pays to supermarkets to provide cheap booze to the masses.

In short, when you use your vote (and I hope you will), use it to protect the pubs, breweries and way of life we enjoy in Britain!
